“
The puffer vest is still indispensable for fall/winter season. Whether hairy knitwear or casual sweats, it's always an easy combination. In new colours like our key colour bright green, it becomes a new look and an eye catcher on rainy gloomy streets.

THE BLAZER

1022-1071

“

Originally known from business wear the blazer experiences a revival and becomes a must-have item also for casual wear. While combinations with dresses still have a modern feminine touch, the blazer dressed over knitwear and hoodies underlines the new everyday suitability.
